25X1
MEMORANDUM FOR:

THROUGH:

FROM:

SUBJECT: Proposed EP, Additions to Capacity at
Individual Electric Powerplants in
the USSR: Actual 1963, Planned 1964

25X1
A listing of additions to electric generating capacity in the USSR in 1963, and planned additions in 1964, has been compiled as a necessary part of file maintenance in the Electric Power Branch. Copies have been requested by [redacted]

25X1
[redacted] In the past similar lists have been requested by other intelligence components and by the American Embassy in Moscow. We anticipate that such requests will be made in the future. It is suggested that an EP number be assigned to this compilation.
